

# HEALING IN 2021

Healing is the process of becoming whole again.

In partnership with the nonprofit community, McKenna responded to expanded needs while also investing strategically for the future.

**INSPIRATION IS EVERYWHERE.**

When we encounter a need, we are inspired to develop resources to fill the gap.

**INFLUENCE TO MAKE A DIFFERENCE.**

We use our resources and partnerships to improve social services, now and into the future.

**IMPACT THAT LASTS.**

We work toward a lasting impact on people and non-profits in our community.
