

Framework for the Future

2023

MCKENNA

INSPIRATION · INFLUENCE · IMPACT

The future starts today. When we proactively allocate resources to critical needs, such as services for people with IDD and youth during out-of-school time, we are setting the foundation for a healthier and more productive community for generations.

INSPIRATION IS EVERYWHERE.

When we encounter a need, we are inspired to develop resources to fill the gap.

INFLUENCE TO MAKE A DIFFERENCE.

We use our resources and partnerships to improve social services, now and into the future.

IMPACT THAT LASTS.

We work toward a lasting impact on people and non-profits in our community.
